# Technical Data Sheet

*We periodically review our nutrition information to account for seasonal variability, growing condition and other factors that cause nutrition result to vary. Please find our updated TDS.*

## **ALLERGEN STATEMENT**

We hereby certify that organic turmeric and black pepper capsules sold by Go Superfoods Ltd do not contain any substances causing allergies or intolerances as ingredients or by possibility of cross contamination. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Please note that this statement is based on the information provided by the manufacturer of the product.

## **AUTHENTICITY**

The organic turmeric and black pepper capsules is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

## **GMO FREE**

Organic turmeric and black pepper capsules are not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Turmeric and Black Pepper Capsules are not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

## **PESTICIDES**

Organic turmeric and black pepper capsules comply with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). They also comply with Soil Association strict organic farming standards. During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

## **IRRADIATION**

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

## **BSE STATEMENT**

Organic Turmeric and Black Pepper Capsules are produced exclusively from plant source, and do not contain any components from animal origin. They not been derived from any animal source and have not come into contact with any components of animal origin.

## **RESIDUAL SOLVENTS**

No residual solvents are used in the manufacturing process.

## **LEVEL OF UNDESIRABLE SUBSTANCES**

The strictly controlled production process of organic turmeric and black pepper capsules ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.
